RE: Permit Alteration: Project #18-033

Permit Holder: Morris Hospital & Healthcare Centers

Dear Mr. Dohm:

On January 26, 2021 the Illinois Health Facilities and Services Review Board (State Board) approved an alteration to the project to modernize clinical and non-clinical areas of Morris Hospital & Healthcare Center, located at 150 West High Street, Morris, Illinois. The alteration approved the following:

1. A decrease in the overall spatial allotment at the Morris facility, from 56,157 GSF to 39,912 GSF or 16,245 GSF or 29%.
2. A decrease in the total permit amount, from \$36,009,124 to \$29,956,283. A decrease of \$6,052,841, or 16.8%.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.
