Re: #18-039, Fresenius Kidney Care Grayslake

Dear Ms. Avery:

I am writing to request your approval of an expedited review of the Fresenius Kidney Care Grayslake application. I ask that it be moved from the March 5, 2019 agenda to the January 15, 2019 agenda. Average utilization of all area clinics is 82% and moving it to the January agenda would give the contractor a jump-start obtaining permitting allowing construction to start at the very first sign of spring weather. This would enable completion prior to next winter.

I respectfully ask that you consider expediting its hearing to the January 15, 2019 meeting.

Sincerely,

Lori Wright
Senior CON Specialist
