Re: Opposition to CON18-042, Quincy Medical Group in
Quincy, Illinois

Dear Mrs. Avery,

I am a employee of the Bussing Health System
of fifteen years, and a life long resident of Quincy. I
am aware of Quincy Medical Groups request to
add a Surgery^{Center} and would like to state my opposition
to this unnecessary duplication of services. I do
not feel that this would be a positive community
impact.

As a small community this duplication of services
is going to increase costs for our residents.

I respectfully ask that the Health Facilities &
Services Review Board deny the CON Application
for a new Quincy Medical Group Surgery center.

Respectfully,

Michelle R. Drustentau
