RE: Opposition to CON 18-042 Quincy Medical Group
Surgery Center in
Quincy, Illinois

Dear Ms. Avery:

As an employee of Blessing Health Systems, I
oppose the Surgery Center by Quincy Medical Group
CON project. ~~CON~~ This would be a duplication
of a service already provided to patients in
the community. No additional patients to warrant this request.

I feel an additional facility surgery center
will add cost to the community for the same
volume of patients. The current surgery center
is not overbooked to a point that patients are
in need of another surgery center in order to get
care. I feel the additional cost of this project
to the community will be a negative impact.

I respectfully ask that the Health Facilities &
Services Review Board deny CON application 18-042
requested by Quincy Medical Group Surgery Center.

Respectfully,

Rita D. Hamer
