Re: opposition to CON 18-047, Quincy Medical Group
Surgery center in Quincy, IL

Dear Ms. Avery,

I serve as the Chief Experience Officer at Blessing Health System. I am in opposition to the above referenced CON.

My objection is based on the fact that our community does not need duplicative services ~~based~~ and we currently have more than adequate resources at Blessing Health System and other local providers to meet the needs of our community.

I respectfully ask that the Health Facilities and Services Review Board deny CON Application 18-047. Thank you for your consideration.

Respectfully,

Margaret E. Ozan-Rafferty R.N., D.H.A.
