Rx: Opposition to CON 18-042 Quinny Medical Group Surgery
Center Quinny IL

Dear Ms. Avery

My name is Laura Dorian Clinic Office Manager of Family & Internal
Medicine @ Blessing Physician Services the outpatient clinic of the Blessing
Health System, opposing the above.

I am a patient, consumer & business affiliate in the Quinny community &
I have concerns on the duplication of this service in our community. I believe
the impact of community revenue, employment and proper care of patients
failing is detrimental to the community.

I respectfully ask that the Health Facilities & Services Review Board
deny Quinny Medical Groups Surgery Center. Thank you for your consideration.

Sincerely

Laura Dorian
