Subject: Permit Renewal: #18-042 QMG Surgery Center, Quincy

Good morning

Attached are the request, and State Board Staff Report for a permit renewal for project #08-042, Quincy Medical Group Surgery Center. In April 2019, the permit holders were authorized to establish a multi-specialty ASTC in Quincy, with a project completion date of March 1, 2021. The permit holders are requesting a 6-month permit renewal (3/1/21 to 9/1/21), to allow for the IDPH survey/inspection/licensure project to be completed. There were no negative findings in our report. Being a first-time renewal, Chairwoman Savage has the authority to review and render a verdict in regard to this request, but your review is also encouraged and questions/comments are welcome. Once again, thank you for your service, be safe, and be well.
