RE: Relinquishment of a Permit, Health Facilities Planning Act
Permit #18-045 – FMC West Belmont
Permit Holders: Fresenius Medical Care Holdings, Inc. Fresenius Medical Care Chicagoland,
LLC d/b/a Fresenius Medical Care West Belmont

Dear Ms. Wright:

On December 10, 2019 the Chairman of the Illinois Health Facilities and Services Review Board (State Board) approved your request for the relinquishment of the permit referenced above. The approval was based upon the Permit Holders compliance with applicable provisions of 77 ILAC 1130.775. The relinquishment is for the 4-stations approved to be added to the 17-station facility. Fresenius Medical Care Chicagoland, LLC d/b/a Fresenius Medical Care West Belmont, located at 4943 West Belmont, Chicago, Illinois will have 17-stations.

You are reminded that this exemption requires that for discontinuation of a category of service a notice of project completion must be submitted to the State Board no later than 90 days following the project completion date (November 30, 2019). Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to discontinuation.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
