Re: Letter of Support for Project # 18-049, Surgery Center of Illinois

Dear Ms. Avery,

As Trustee of the Village of Oak Lawn, I am writing to express my support for the Certificate of Need application for Project #18-049, Surgery Center of Illinois, to build an Ambulatory Surgical Treatment Center ("ASTC"), which will be located at 6701 West 95th Street, Oak Lawn, Illinois 60432.

This facility will provide new healthcare options for our residents who are currently traveling outside of the area to obtain those services. This project also represents an economic investment in our community and partnership with the Village to ensure that our residents have access to state of the art healthcare services.

I strongly believe the Illinois Health Facilities and Services Review Board should approve this worthy project and allow for the establishment of the Surgery Center of Illinois.

Thank you,

Paul Maho
3rd District Trustee
