Re: MacNeal Hospital, 3249 South Oak Park Avenue, Berwyn, IL ("MacNeal Hospital")

Dear Mike:

Confirming our conversation on Friday morning, following the change of ownership transaction set forth in the Certificate of Exemption Application that we recently filed regarding MacNeal Hospital, the Applicants (Gottlieb Community Health Services Corporation, Loyola University Health System, and Trinity Health Corporation) intend, with the permission of the Illinois Health Facilities & Services Review Board, to "re-assign" the twenty-five sub-acute beds (demonstration project license number 4000013) currently listed as medical/surgical beds on MacNeal Hospital's authorized bed inventory to long term care beds. We also understand that the sub-acute demonstration project license will not transfer following the transaction.

The following chart summarizes the current and post-transaction bed allocation at MacNeal Hospital:

	Current CON Beds	Proposed Change	Post-Transaction CON Beds
Medical/Surgical	233	-25	208
Pediatric	10		10
Intensive Care	26		26
OB/Gyn	25		25
Long Term Care	0	+25	25
AMI	68		68
Rehabilitation	12		12
Total	374		374
