EXEMPTION NUMBER: E-012-18	BOARD MEETING NA
EXEMPTION APPLICANT(S): Rush University Medical Center and Rush System for Health	
FACILITY: Rush University Medical Center Dialysis Center, Chicago	

1. **The Transaction**

The Applicants (Rush University Medical Center (“RUMC”) and Rush System for Health) propose to discontinue the 6-station outpatient pediatric dialysis facility located at Rush University Medical Center, 1653 W. Congress Parkway, Chicago, Illinois. The Applicants are Rush University Medical Center and Rush System for Health. There is no cost to the discontinuation and the completion date is shortly after State Board Approval.

The 6-station ESRD pediatric facility is being discontinued because of low utilization. Patients will be referred to other ESRD facilities and the RUMC physicians will continue to follow the patients care and treatment. The space will be used to provide acute dialysis services if necessary. Medical records will be maintained by RUMC per CMS and IDPH requirements. A Safety Net Impact Statement has been provided as required and impact letters were sent to ESRD facilities within the 45-minute service area.

2. **Public Hearing**

No public hearing was requested and no letters of support or opposition were received by the State Board Staff.

3. **Criterion 77 ILAC 1130.500, Criterion 77 ILAC 1130.525- Application for permit or exemption; exemption regulations.**

All information required by the State Board has been submitted.
