Confirmation of Exemption Completion

Dear Ms. Avery:

On April 26, 2018, the Illinois Health Facilities and Services Review Board, through its Board Chair, approved our application for a Change of Ownership Exemption relating to the ownership of the realty for Loyola Ambulatory Surgery Center at Oakbrook. We are pleased to inform you that the COE transaction closed effective May 3, 2018. In fulfillment of the terms of the COE approval, this letter confirms that the material terms of the transaction did not change from those presented in the application and approved by the Review Board.

With the submission of this letter it is our understanding that we have closed this Project and that nothing further is required from us at this time. Please contact me or our CON counsel, Joe Ourth, if anything further is required.

Sincerely,

Gregg Graines
