EXEMPTION NUMBER: E-032-18	BOARD MEETING NA
EXEMPTION APPLICANT(S): Rush Oak Park Hospital, Inc, and Rush University Medical Center	
FACILITY: Rush Oak Park Hospital, Oak Park	

1. The Transaction

The Applicants propose to discontinue the 36-bed inpatient comprehensive physical rehabilitation category of service located at Rush Oak Park Hospital, 520 S. Maple Avenue, Oak Park, Illinois (#E-032-18). The Applicants are Rush Oak Park Hospital, Inc, and Rush University Medical Center. There is no cost to the discontinuation and the completion date is upon State Board approval.

This category of service is being discontinued because of low utilization. Patients will be referred to other facilities in the area providing rehabilitation service. The existing space will be converted to private rooms for medical surgical patients. No additional beds are being added. Medical records will be maintained by hospital, per federal and state requirements. A Safety Net Impact Statement has been provided as required and impact letters were sent to facilities within the 45-minute service area.

2. Public Hearing

No public hearing was requested and no letters of support or opposition were received by the State Board Staff.

3. **Criterion 77 ILAC 1130.500, Criterion 77 ILAC 1130.525- Application for permit or exemption; exemption regulations.**

All attestations and information required by the State Board have been provided as required.
