Re: Notice of Project Completion
Exemption No.: E-033-18
Facility Name: Centegra Hospital-Woodstock

Dear Ms. Avery:

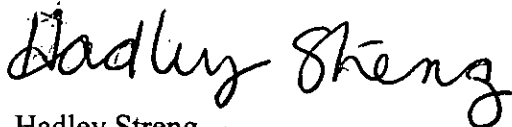

This letter is to provide notice of completion of the change of ownership transaction approved by the Illinois Health Facilities and Services Review Board on June 26, 2018 in Project No. E-033-18, Centegra Hospital-Woodstock.

As noted in the Exemption Approval letter dated June 26, 2018, and the exemption application, the transaction involved an assignment of all operational assets and liabilities of Memorial Medical Center Woodstock d/b/a Centegra Hospital-Woodstock (CH-W) to Northern Illinois Medical Center (NIMC) which has been approved for licensure as Northern Illinois Medical Center d/b/a Centegra Hospital-Woodstock.

The undersigned certifies that the assignment of all operational assets and liabilities of CH-W to NIMC was effective on July 1, 2018, and that the applicant completed the transaction according to the key terms detailed in the application.

We greatly appreciate the Review Board's and Staff's prompt processing of our exemption application.

Sincerely,

Hadley Streng
SVP, Strategy and Development
Centegra Health System
