Exemption Holder: OSF Healthcare System d/b/a OSF St. Anthony Medical Center
Site Owner: OSF Healthcare System
Entity to be Licensed: OSF Healthcare System d/b/a OSF St. Anthony Medical Center

Dear Mr. Hohulin:

On October 30, 2018, the Illinois Health Facilities and Services Review Board (State Board) approved your request for a discontinuation. This approval was based on the application's compliance with applicable provisions of 77 ILAC 1130 and 20 ILCS 3960. The permit is for the discontinuation of a 13-bed Pediatric category of service. OSF Saint Anthony Medical Center will continue to care for pediatric patients utilizing existing medical surgical beds and burn unit beds as appropriate, as well as providing emergency services, outpatient diagnostic and procedural services as needed.

Pursuant to Section 1130.570(c), within 90 days of the discontinuation, the exemption holder must submit a report certifying the date that the discontinuation was complete. Exemption holders that do not submit a timely completion report may be subject to penalties, including monetary fines. This letter serves as the State Board's formal request for the report.

Please be advised that the Exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to this acquisition.

Should you have any questions or concerns, please contact Mike Constantino or George Roate at 217-782-3516.

Sincerely,

Courtney Avery, Administrator

Illinois Health Facilities and Services Review Board
