**RE: Project 19-001
OAK Ambulatory Surgery Center**

Dear Ms. Avery:

This letter is being provided as a confirmation of the support of Bradley Bourbonnais Community School's for OAK Orthopedics' plan to develop a surgery center in Bourbonnais.

The care provided by OAK Orthopedics to our community, and particularly to our students participating in sports, should be commended. OAK Orthopedics has for many years safeguarded our students, including our varsity athletes, providing direction to them and caring for the inevitable injuries that occur. From volunteering physician time on the sidelines to donating time for sports physicals at their offices on Saturdays, OAK Orthopedics has served our community well. They have treated our student athletes regardless of their ability to pay or the type of insurance they carried. The relationship between BBCHS and OAK is critical in keeping our student-athletes safe and promoting on-going health as they progress through school.

OAK's ability to increase their surgical capacity through the development of the proposed surgery center will be an asset to our entire community. We respectfully request your consideration of approval for their surgery center.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Scott Wakeley".

Dr. Scott Wakeley
Superintendent
Bradley-Bourbonnais Community High School District 307
