RE: **Modification of an Application for Permit**
Health Facilities Planning Act
PROJECT: #19-014-MIRA Neuro Behavioral Health Center for Children & Adolescents,
Tinley Park
APPLICANTS: MIRA Neuro Behavioral Health Care, LLC

Dear Mr. Ourth:

On August 15, 2019 we received the Modification of Application for Permit for Project #19-014. This Modification is considered a Type A Modification because the increase in the total gross feet exceeded the original total gross square feet by more than 10% ($48,000\text{GSF} - 35,682\text{GSF} = 12,318\text{GSF} \div 35,682 = 34.5\%$).

This Type A modification also requires an additional fee of \$3,084.04 that includes \$1,084.04 ($.22 \times \$492,745 = \$1,084.04$) and a fee for the Notice of an Opportunity for a Public Hearing of \$2,000. Section 77 ILAC 1130.230 – Fees

Modification of an Application for Permit

- A) If a modification of an application for permit results in an increase in the total estimated project cost, the application processing fee shall be recalculated on the basis of the revised estimated project cost. This Section is applicable with respect to any additional fees required for a modified application.
- B) If a modification results in the need for an additional notification of opportunity for public hearing, then an additional fee of \$2,000 will be assessed.

Consideration by the State Board has been scheduled for the **October 22, 2019, State Board Meeting.**

Should you have any questions regarding your application, please contact our office at (217) 782-3516 or TTY (800) 547-0466 for hearing impaired only.
