RE: Letter of Support for the Palos Behavioral Acute Care Hospital

Dear Ms. Avery,

I am writing to convey my support for the establishment of the MIRA Neuro-Behavioral Health Center for Children & Adolescents; a new, acute mental health facility dedicated to caring for adolescents and children.

I support this project because I believe there is a critical need in our area for a facility that would address acute issues facing our children, adolescents and their families today.

The MIRA Neuro-Behavioral Health Center for Children & Adolescents would be a useful facility and benefit the entire south and southwest suburbs, including the Village of Bridgeview.

Sincerely,

Steven Landek
Mayor | Village of Bridgeview
