Re: MIRA Neuro Behavioral Health Care (MIRA) Permit Renewal  
Response to State Board Report  
Undated IDPH Inspection Status – Project No. 19-014

Dear Mr. Constantino:

Thank you for your work in preparing the State Board Report for the MIRA Permit Renewal Application referenced above.

In its application MIRA had stated that construction was essentially complete and that the primary remaining steps were the necessary inspections and survey. We are pleased to report that the Village of Tinley park issued its Certification of Occupancy on August 23, 2022. We are further pleased to report that the Illinois Department of Public Health, Division of Life Safety and Construction, performed its inspection and issued its approval effective August 30, 2022. All that remains for licensure and completion is the IDPH nursing survey which should occur shortly.

Attached are Village and IDPH approval certificates and letters. Thank you for allowing us to provide this update.

Sincerely,  
  
Joe Ourth

**VILLAGE OF TINLEY PARK  
CERTIFICATE OF OCCUPANCY**

In accordance with the requirements of the Village of Tinley Park, Illinois, the issuance of this Certificate of Occupancy to:

**MIRA NEURO BEHAVIORAL HEALTH  
6775 PROSPER DR, TINLEY PARK, IL 60477  
BL-2020-08-01348**

Verifies that the building has been inspected and found to that the work has been completed in accordance with the provision of the Village of Tinley Park Ordinances and Building Codes, on **8/23/2022**.

A new Certificate of Occupancy is required if the use of the building/structure and/or tenant space is changed or if alterations are made to the building/structure and/or tenant space or property (site) described in the application for permit **BL-2020-08-01348** which is the subject of the Certificate.

A new Certificate of Occupancy voids any certificate of prior date on the same building/structure and/or tenant space.

**Initial Licensure Survey**

Re: MIRA Neuro Behavioral Health Care, LLC  
Tinley Park  
Behavioral Health Acute Care Hospital Remodel  
IDPH No: 11657

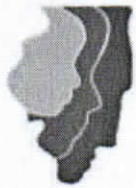

Dear Matt Barry:

On 08/30/2022, an inspection was conducted for the purpose of determining compliance with the Hospital Licensing Act (210 ILCS 85/) and Hospital Licensing Requirements (77 Ill. Adm. Code 250) and the 2012 Edition of NFPA 101, the Life Safety Code. At this time, it has been determined that the above listed facility is in compliance with the physical environment requirements of the Act and Codes. This recommendation has been forwarded to the Central Office Operations Section for the scheduling of the nursing survey. It may be necessary for a nursing survey to be conducted prior to receiving the license. **A license must be issued prior to treating patients. The license will be mailed under separate cover with the effective date of the new license.**

If you have any questions about this approval, please do not hesitate to call us at 217-785-4247. The Department's TTY number is 800/547-0466, for use by the hearing impaired.

Sincerely,

Dennis Schmitt, Supervisor  
Design and Construction Section  
Division of Life Safety and Construction
