RE: CON Application from The Rehabilitation Institute of Southern Illinois, LLC

Dear Ms. Avery:

As Mayor of the Village of Shiloh, I would like to register my support for the Certificate of Need application filed with your agency requesting to build The Rehabilitation Institute of Southern Illinois, LLC in the Village of Shiloh.

This facility will provide residents throughout the area with more convenient access to a much needed service without having to travel across the Mississippi River for this specialized care.

As healthcare evolves so does the need for additional specialized providers in our villages, cities and neighborhoods. The addition of The Rehabilitation Institute of Southern Illinois, LLC does just that and will further complement the professionals who have already chosen to locate here.

I urge the Illinois Health Facilities and Services Review Board to support this project. Thank you in advance for your favorable consideration.
