**Re:** The Rehabilitation Institute of Southern Illinois Hospital, HFSRB Project #19-021

**Dear Ms. Avery,**

I am Interim Medical Director for the hospitalist service at Memorial Hospital in Belleville and Memorial East in Shiloh. This letter is an addendum to my referral letter previously submitted on May 1, 2019. It contains referral documentation required per Ill. Admin. Code Section 1110.205(b)(3)(A)-(B). Over the past twelve months, we have cared for a total of 4,222 patients who required comprehensive rehabilitation care from the 4 county HSA 11 area. Attached to this addendum is a list of zip codes for the 4,222 patients who have received care.

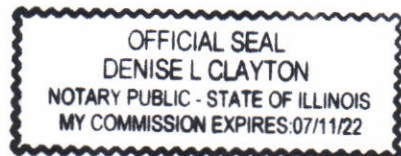

Based on historical referrals of the hospitalist service, I would anticipate referring 338 patients each of the next two years to The Rehabilitation Institute of Southern Illinois Hospital as proposed by the applicant, if approved. I certify, that the patients I reference herein reside within the applicant's proposed geographic service area as identified by the zip codes previously submitted with the application.

I further certify, that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.
