Re: The Rehabilitation Institute of Southern Illinois Hospital, HFSRB Project #19-021

Dear Ms. Avery,

I am Chief of Hospital Medicine at Washington University and Barnes-Jewish Hospital. This letter is an addendum to my referral letter previously submitted on June 10, 2019. It contains referral documentation required per Ill. Admin. Code Section 1110.205(b)(3)(A)-(B). Over the past twelve months, we have cared for a total of 1000 patients who required comprehensive rehabilitation care from the 4 county HSA 11 area. Attached to this addendum is a list of zip codes for the 1000 patients who have received care.

Based on my historical referrals, I would anticipate referring 150 patients each of the next two years to The Rehabilitation Institute of Southern Illinois Hospital as proposed by the applicant, if approved. I certify, that the patients I reference herein reside within the applicant's proposed geographic service area as identified by the zip codes previously submitted with the application.

I further certify, that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.
