Re: Deferral of Project Number: #19-022, Austin Dialysis at Loretto, Chicago

Dear Dr. Suhail:

On September 22, 2020, the Illinois Health Facilities and Services Review Board voted to defer the above referenced project. This decision was based upon the substantial conformance with the applicable standard and criterion in the Illinois Health Facilities Planning Act (20 ILCS 3960) and 77 Illinois Administrative Code 1130.655(b)(5).

This project has been tentatively rescheduled for the December 15, 2022 meeting of the Illinois Health Facilities and Services Review Board, and reopening the opportunity for public comment until November 25, 2020.

Should you have any questions regarding the permit requirements, please contact Mike Constantino of George Roate of my staff at mike.constantino@illinois.gov, george.roate@illinois.gov or 217-782-3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
