Re Project 19-023, Advocate North Side Health Network- d/b/a Advocate Illinois Masonic Medical Center, Counseling & Pediatric Development Center

Mr. Roate,

This letter is to inform you that the above referenced project will pursue LEED Certification with the U.S. Green Building Council (USGBC) as part of the design and construction process for the new building. USGBC's mission is "to transform the way buildings and communities are designed, built and operated, enabling an environmentally and socially responsible, healthy, and prosperous environment that improves the quality of life."

Sincerely,

Darin Couturiaux  
Associate / Project Manager
