RE: Permit Alteration: Project #19-029 Blessing Hospital ASTC
Permit Holder: Blessing Hospital

Dear Ms. Stegeman:

On August 13, 2020 the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved an alteration to the project to increase the overall permit amount from \$21,333,943 to \$21,968,955 (\$635,012 or 2097%). The alteration approved increased funding for the following:

1. Water Line Mitigation
2. Negative Pressure Rooms
3. Hands-Free Public Restroom Doors
4. OR Boom Infrastructure for Surgical Lighting
5. Schematic Changes to Cart Washing/Sterilization Area

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,
