Re: Project #19-029 – Additional Information

Dear Betty:

1. Is "*Blessing Hospital ASTC*" a separate legal entity? If so they need to be a co-applicant? An entity entitled "*Blessing Hospital ASTC*" is the licensee that has been provided. Is there an address for the ASTC on the Hospital campus?
2. Page 51 of the Application for Permit Project Uses and Sources of Funds the totals do not agree. There is a \$60,000 difference. We need a new page 51.
3. Page 53 of the Application for Permit Cost Space Requirements the numbers do not foot. We need a new page 53 of the Application for Permit.
4. Will the proposed ASTC be in an existing building or is a building going to be constructed for the ASTC? If the building is to be constructed is there a basement or more than the two levels identified in the Application for Permit?
5. Please complete the tables on pages 48 and 49 of the Application for Permit entitled "*Safety Net Information per PA 96-0031*" AND "*Charity Care.*"
6. Does Blessing intend to accredit the ASTC? And could you please provide Blessing Hospital's accreditation.
7. Please provide the expected payor mix for the ASTC?
8. Please provide the most recent audited financial statements for Blessing Hospital.

Should you have any questions please do not hesitate to contact me at 217.782.3516 or by email at mike.constantino@illinois.gov
