

Hi Chairman

I hope this note gets to you in time
for your Community to Decide on Blessing
Signal Center. I sent early this morn.

as I stated their are other things I
wanted to say. But I get missed up when
I think to much on things that is wrong.

1. I thank the power community for Granting
Quincy Medical their right for Sexiton Park.
was setting their with Golitz and was
told it was in the bag to not Grant it.

2. I and others I have talked to are
getting sick and tired of all the Black
mail and Rotations on T.V. Backing
this project. And we also think we
will not hear all this black mail after
this late We Hope you and Community
will not grant this.

3. they are bragging they give Back to
the ~~area~~ area. But as I stated earley
Well we pay Employer and they pay the
Taxes and We don't help to pay Taxes
becouse as you know We are Tax Exempt.

4 I asked that is why you are spread
all around The Town and putting us

HEALTH FACILITIES &
SERVICES REVIEW BOARD

New Building which cost money and not lower the cost. Well that is the way it Works the hard. We pay the contractor and they pay the Taxes.

5. They say they pay the Best wages Well I know from a couple of people who have been their for several years that have gotten Better Jobs after being their for 15 years and finally got smart and left with more pay.

6. A Lot of people will not Write Note to say any thing. Because they don't want to go against Polith and find them self waiting in the Emergency Room longer then 3 to 4 hours for a Bad injury or Heart Attack.

7. Speaking of Heart Attacks a fellow Employ Went to Blessing because his Boss seen something wrong. He returns to work and said Blessing didn't find any thing Wrong the Boss took him

Book and was told the same and
they said well that is it.

We went to Springfield and had
4 stents put in. And when I also
told this to the Board Members "2"
they just said well he should of went
there in the First Place.

8. Will I hope you and community Denise
this and see if they fully decide to
still work in the public interest and
keep using the one they are using
at this time for the Community and not
their own benefit

9. I hope you all ready gotten my
not find early this week.

May the Lord
God Bless and Help

Sincerely Yours
Gerald A. Mast
