Illinois Health Facilities and
Services Review Board
525 West Jefferson Street, 2nd floor
Springfield, IL 62761

Dear Ms. Avery,

I am writing to oppose the Blessing Hospital Surgery Center relocation project 19-029.

Sincerely,

Gerald Mast

I was surprised if I should do this for I
am not a Big person in the community or
have been on T.V. lately and as a couple
of other people we are getting so hard
of seeing all this so called giving "back
giving to the community" which we
can see all the property and new building
going on and I don't have to pay taxes
on any of it

OVER

a supple asked if I rent and I said yes. And they said well you should buy your own home and pay Taxes. So I said is it true you don't pay taxes? Their reply Well we are Tax Exempt and we give back to the Area.

3. What to you giving back I don't see any thing. Well we sponsor different events. I said we have not heard of those excepted since this Campaign started. Will we fit the Bill for the people who can't pay or won't pay. So I said that is why we have to pay because we have innumerable Right. Will we have to pay our Employer don't we. Well we do give back to the community.

4. At this time I can't think of some other questions for it has been some time since I talked to them. And they were well instructed what to say.

5. Thank You for your time.

May the Lord and
His Hand of Blessing
be with you
Sincerely Yours
Gerald Frost

P.S. I just happenly ask why should
we wait so long in the emergency Room
explory when there are 1 to 4 people
there. Some times 3 to 4 hours. Well
No Comment. And I said one time
I was there with my Brother and this
well connected person got right in
and seen some one. Well that is the
way it is the land.

As you can see on the date I was to do
this a while ago
