Certificate of Need Permit Application

Coulterville Rehabilitation & Health Care Center, LLC

Criterion 1125.800 - Availability of Funds

Dear Ms. Avery:

It is my understanding that Coulterville Rehabilitation & Health Care Center, LLC ("Primary Applicant") is submitting a certificate of need ("CON") permit application, which proposes an expansion of its existing skilled nursing facility from 75 to 100 beds ("Project"). A second entity, TI-Coulterville, LLC, is named in the CON permit application as a co-applicant ("Co-Applicant") because this entity will be wholly responsible for funding the Project. The CON permit application provides that the total cost of the Project is \$2,400,000. Of that amount, the Co-Applicant must have \$2,400,000 immediately available and solely dedicated to fund the Project with cash ("Project Funds").

I, Ty Garver, submit this letter for the Primary Applicant, Co-Applicant through its related company Tutera Group, Inc. to certify that, as of October 4, 2019, the Co-Applicant which is owned by a Joseph C. Tutera Trust and Joseph C. Tutera is the 72% owner of Tutera Group Inc. has sufficient funds at our bank to cover the total cost of the Project and further certify that such Project Funds are liquid and immediately available to the Primary Applicant and Co-Applicant. A copy of the September 30, 2019 statement is attached. If you have questions, please do not hesitate to contact me at 913-660-2216. Thank you very much.

Respectfully Submitted.

Ty Garver
