**RE: Relinquishment of CON Permit  
Coulterville Rehabilitation & Health Care Center (Project 19-031)**

Dear Ms. Avery,

This letter provides official notice to the Illinois Health Facilities and Services Review Board ("State Board") that Coulterville Rehab & Health Care Center ("Applicant") is relinquishing its certificate of need ("CON") permit in regard to Project 19-030 ("Project"), which was granted by the State Board on December 10, 2019. The Project involves a 25-bed expansion of an existing skilled nursing facility in Coulterville, Illinois.

The Applicant is relinquishing the CON permit because it determined that a revised construction budget totaling \$3,721,471 would exceed the \$2,385,361 project cost approved in the original CON permit and the increased cost was outside of the amount allowed under the State Board's project alteration rules. As a result, the Applicant was required to submit a replacement CON permit application (Project 20-024), which was filed on June 6, 2020 and subsequently approved by the State Board Chairperson on August 26, 2020.

A check for the processing fee in the amount of \$1,000.00 is included with this letter. If you should have any further questions about this matter, please call or e-mail me at your convenience. Thank you very much.

Respectfully,

Joseph Hylak-Reinholtz
