**HEALTH FACILITIES &
SERVICES REVIEW BOARD**

Courtney Avery
Administrator
Illinois Health Facilities and
Services Review Board
525 West Jefferson
Springfield, IL 62761

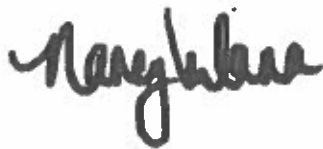

Dear Ms. Avery:

On December 10, 2019 the Health Facilities and Services Review Board is scheduled to vote on the Greater Chicago Center for Advanced Surgery, and I encourage a vote to approve.

About three months ago Dr. Benjamin Domb performed hip surgery on me at an outpatient center near Kenosha, Wisconsin. I could not be happier with the outcome of my surgery. Dr. Domb and his office and surgery staff are very professional, and his ability to perform outpatient surgery in a similar type of facility in the northern suburbs will be an asset to Illinois, and a great convenience to area residents.

I urge approval of this project.

Sincerely,
