Re: Project 19-032
Greater Chicago Center for Advanced Surgery
999 East Touhy Avenue, Des Plaines, Illinois 60018

Dear Ms. Avery:

Please accept this letter as my strong support for the above-named project, at 999 E Touhy Ave. which application will be considered by the Board in December of 2019.

This project brings tremendous value to residents of the entire region, along with its convenient access to three major highways (294, 90 and 94) in Des Plaines, IL. Patients today are traveling to Indiana and Wisconsin for procedures that will take place in this facility, thus allowing for much greater convenience.

Advanced Surgical Centers for outpatient procedures are a rapidly growing field of practice in modern medicine, and are a wonderful, more cost-effective option for patients who are healthy enough to qualify to be operated on in this setting. Additionally, it cuts down on wait times for the patients who fit these specific criteria.

As such, contingent on the requirements set by the Illinois Health Facilities and Services Review Board, and compliance set by the Illinois Department of Public Health, I offer my support for the advancement of this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin J. Moylan".
