**Re: Fresenius Medical Care Jackson Park**

Dear Ms. Avery:

I am writing to request your approval of an expedited review of the Fresenius Medical Care Jackson Park relocation application. I ask that it be moved from the January 14, 2020 agenda to the October 22, 2019 agenda. This clinic, in a medically underserved area of Chicago, will be in a new structure and the permitting process in the City of Chicago can be onerous. Moving the project to the October agenda will provide additional time to obtain appropriate permits.

We expect that this application will meet Board criteria and a sooner approval would allow Fresenius to expedite the relocation process.

I respectfully ask that you consider expediting its hearing to the October 22, 2019 meeting.

Sincerely,

Lori Wright  
Senior CON Specialist
