Re: Support for CON Encompass Health Rehabilitation Hospital of Libertyville, LLC

Dear Ms. Avery:

The City of Waukegan supports Encompass Health's Certificate of Need (CON) application to build an acute 60-bed comprehensive inpatient rehabilitative hospital in Libertyville, Illinois. There is a need and desire for this type of facility in Lake County and surrounding counties.

Approving this acute comprehensive rehabilitative hospital will provide needed services within our geographic area. Clients from Waukegan and other Lake County and surrounding communities would be able to enter a facility close to their family members and perhaps even reduce the overall length of their acute care stay. Having such a facility in Libertyville will make it much easier for access by families as it would reduce the drive times experienced on many of our congested roadways.

The City of Waukegan encourages you to approve the granting of a Certificate of Need for Encompass Health Rehabilitation Hospital of Libertyville, LLC. It would provide a much needed service to our residents and the surrounding communities as such a hospital does not exist in this region.

Sincerely,

Sam Cunningham, Mayor
City of Waukegan
