Re: Support for CON Encompass Health Rehabilitation Hospital of Libertyville, LLC

Dear Ms. Avery:

I am writing this letter in my capacity as an Illinois State Representative to express my support for the Encompass Health Certificate of Need to build a 60-bed comprehensive inpatient physical rehabilitation hospital in Libertyville, Illinois. In my role, I represent the citizens of Libertyville's 51st district, and in that capacity it is vital to foster the health and quality of life of our citizens. This hospital will contribute to assuring that our citizens can get quality acute inpatient rehabilitative care close to home rather than having to travel significant distances to find a free-standing acute rehab hospital.

The mission of a comprehensive inpatient rehabilitation hospital such as Encompass Health is to prepare the patient and family for a safe return to the community. Encompass offers this with their state-of-the-art technologies, nursing and therapies in a positive environment that will accomplish this. I wish to fully offer my support and endorsement for the Encompass Health Rehabilitation Hospital, Libertyville, LLC, to the Illinois Certificate of Need process.

Sincerely,
