RE: Extension of Financial Commitment Period
Permit # 19-037 Provident Hospital of Cook County, Chicago
Permit Holder: Provident Hospital Cook County, Cook County

Dear Ms. Gibson:

On September 13, 2021, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved the permit holder's request for an extension of the financial commitment period for the above-referenced project. Therefore, the financial commitment for this project has been extended until October 22, 2022.

You are reminded that an extension of the financial commitment period can only be requested one time. Should you fail to financially commit the project within this extended 12-month period the Permit will be deem null and void.

The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
