RE: Alden Courts of Waterford  
1991 Randi Drive  
Aurora, IL

Dear Ms. Avery,

I am writing to support Alden's proposal to convert 44 sheltered care beds to 40 skilled care beds at the above captioned location. I believe there is a tremendous need for this level of care and Alden Courts of Waterford will provide unique and much needed service to our community.

The Alden of Waterford Community with all of its levels of care provides a vital health care continuum for the Aurora and surrounding area. They have been part of this district and the Aurora community for over 20 years.

As the population continues to age in and around the Aurora area, this level of memory care service is going to be much needed.

I urge you to give Alden's certificate of need application every consideration. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Linda Holmes".
