RE: Permit Alteration: Project #19-050

Permit Holder: DaVita Freeport Dialysis, Freeport/Rockford

Dear Ms. Friedman:

On June 22, 2020 the Chairman of the Illinois Health Facilities and Services Review Board (State Board) acting on behalf of the State Board approved an alteration to the project to discontinue an existing 10-station ESRD facility, located in Freeport, Illinois, and relocate 8 of the ESRD stations to a facility located at 615 Harrison Avenue, Rockford, Illinois. The alteration approved the following:

1. An increase in the overall spatial allotment at the Rockford facility, from 5,200 GSF to 5,460 GSF or 260 GSF or .5%.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
