**Re:** Quad Cities Rehabilitation Institute, HFSRB Project #19-059

**Dear Ms. Avery,**

We are board certified internal medicine physicians practicing in Moline, Illinois for many years. The focus of our internal medicine practice is primary care. This letter contains referral documentation required per Ill. Admin. Code Section 1110.205(b)(3)(A)-(B). Over the past twelve months, we referred 213 patients for comprehensive rehabilitation care or treated patients who would have benefitted from comprehensive rehabilitation care. A list of these referrals by patient zip code of residence is also attached.

Based on our historical referrals, we would anticipate referring 64 patients each year to the Quad Cities Rehabilitation Institute as proposed by the applicant, if approved.

I further certify that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.
