Re: Quad Cities Rehabilitation Institute, HFSRB Project #19-059

Dear Ms. Avery,

I am a board certified internal medicine physician and the Regional Vice President of UnityPoint Clinics, a multi-specialty physician practice in the Illinois and Iowa Quad-Cities. The focus of our internal medicine practice is primary care. This letter contains referral documentation required per Ill. Admin. Code Section 1110.205(b)(3)(A)-(B). Over the past twelve months, we referred 56 patients for comprehensive rehabilitation care or treated patients who would have benefitted from comprehensive rehabilitation care. A list of these referrals by patient zip code of residence is also attached.

Based on our historical referrals, we would anticipate referring 17 patients each year to the Quad Cities Rehabilitation Institute as proposed by the applicant, if approved.

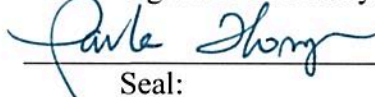

I further certify that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.
