**Re:** Quad Cities Rehabilitation Institute, HFSRB Project #19-059

**Dear Ms. Avery,**

I am Chief Medical Officer and Medical Director for the UnityPoint Health - Trinity hospitalist physician group. Our hospitalist group includes over 25 board certified physicians and five advanced nurse practitioners. The focus of our practice is to admit, care and discharge the vast majority of all patients in our Quad Cities hospitals. This letter contains referral documentation required per Ill. Admin. Code Section 1110.205(b)(3)(A)-(B). Over the past twelve months, we referred 1,792 patients for comprehensive rehabilitation care or treated patients who would have benefitted from comprehensive rehabilitation care. A list of these referrals by patient zip code of residence is also attached.

Based on our historical referrals, we would anticipate referring 896 patients each year to the Quad Cities Rehabilitation Institute as proposed by the applicant, if approved.

I further certify that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.
