Re: Quad Cities Rehabilitation Institute, HFSRB Project #19-059

Dear Ms. Avery,

I am a board certified neurosurgeon practicing in Moline, Illinois. The focus of my practice is to provide excellent neurosurgical and spine care for my patients. This letter contains referral documentation required per Ill. Admin. Code Section 1110.205(b)(3)(A)-(B). Over the past twelve months, I referred 54 patients for comprehensive rehabilitation care or treated patients who would have benefitted from comprehensive rehabilitation care. A list of these referrals by patient zip code of residence is also attached.

Based on our historical referrals, we would anticipate referring 16 patients each year to the Quad Cities Rehabilitation Institute as proposed by the applicant, if approved.

I further certify that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.
