RE: Response to Impact Statement

Dear Ms. Boyd:

OSF HealthCare Saint Francis Medical Center is able to accommodate a portion or all of UnityPoint Health - Pekin's Obstetric and Nursery volume as a result of their closure. Furthermore, there are no restrictions, limitations, or discriminations that would prevent our organization from serving this patient population, which is currently being served by UnityPoint-Pekin.

We appreciate the opportunity to provide input as to how this closure will affect our community.

Sincerely,

Michael Cruz, MD OSF HealthCare COO and Central Region CEO
