RE: Discontinuation of a Category of Service Exemption, Health Facilities Planning Act
Exemption # E-033-19 – Southwestern Illinois Health Facilities, Inc. d/b/a Anderson Hospital
Exemption Holder: Southwestern Illinois Health Facilities, Inc. d/b/a Anderson Hospital

Dear Ms. Klaustermeier:

On September 17, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for discontinuation of a category of service. The approval was based upon the application's compliance with applicable provisions of 77 ILAC 1130.500, 77 ILAC 1130.525 and 77 ILAC 1110.290. The exemption is for the discontinuation of the 20-bed comprehensive physical rehabilitation category of service at Anderson Hospital, 6800 State Route 162, Maryville, Illinois. The following categories of service and beds remain:

Categories of Service	Beds
Medical Surgical	98
Obstetric	24
Intensive Care	12
Total Beds	134

You are reminded that this exemption requires that for discontinuation of a category of service a notice of project completion no later than 90 days following the project completion date (October 31, 2021) must be submitted to the State Board. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to acquisition. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Courtney Avery
