Notice of Completion

Dear Ms. Avery:

At its September 17, 2019 meeting the Illinois Health Facilities and Services Review Board approved the Certificate of Exemption for the discontinuation of the acute mental illness category of service at McDonough District Hospital. Effective September 18, 2019 we consider the service to be formally discontinued. The material terms of the transaction did not change from those presented in the application and approved by the Review Board. In compliance with Public Act 101-0083 we are providing written notice of our discontinuation to our State Senator and State Representative.

Please contact us with any questions.

Sincerely,

Wanda Foster, RN, MSN, FACHE
