RE: Discontinuation of a Category of Service Exemption, Health Facilities Planning Act
Exemption # E-038-19 – Elmhurst Memorial Hospital
Exemption Holder: Elmhurst Memorial Hospital, Edward-Elmhurst Healthcare

Dear Ms. Nguyen:

On October 22, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for discontinuation of a category of service. The approval was based upon the application's compliance with applicable provisions of 77 ILAC 1130.500, 77 ILAC 1130.525 and 77 ILAC 1110.290. The exemption is for the discontinuation of the 6-bed pediatric category of service at Elmhurst Memorial Hospital, 155 E. Brush Street, Elmhurst, Illinois. The following categories of service and beds remain:

Categories of Service	Before Approval	After Approval	Change
	Beds	Beds	
Medical Surgical	196	196	0
Pediatric	6	0	-6
Obstetric	23	23	0
Intensive Care	39	39	0
Total Beds	264	258	-6

You are reminded that this exemption requires that for discontinuation of a category of service a notice of project completion must be submitted to the State Board no later than 90 days following the project completion date (November 30, 2019). Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to discontinuation.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

Courtney Avery
