SERVICES REVIEW BOARD

Dear Ms. Avery,

WE THE UNDERSIGNED formally request a a public hearing (Public Hearing Request E 040 19 Amita Health St. Francis) relating to Amita's Health's request to discontinue its Obstetrics operations at St. Francis Hospital in Evanston.

WE believe that IDPH needs to be made aware of community concern over the potential loss of this birthing unit and the potential impact on the community and a public hearing will provide that opportunity.
