REASONS FOR DISCONTINUATION

The applicants propose to discontinue AMITA Health Alexian Brothers Medical Center Elk Grove Village's ("the hospital's") acute mental illness ("AMI") category of service for a number of reasons.

First, the hospital has had great difficulty in attracting qualified psychiatrists, interested in providing inpatient care, to its Medical Staff.

Second, the hospital is a member of AMITA Health, which operates two other AMI programs in the general area. As a result, and due to the hospital's low AMI utilization (58.6% occupancy rate in 2018), the service proposed to be discontinued represents an unnecessary duplication of services. The hospital is located approximately 7.5 miles from AMITA Health Alexian Brothers Behavioral Health Hospital.

Third, inpatient psychiatric care is being replaced for many patients/diagnoses with partial hospital and other outpatient programs, therein reducing the reliance on inpatient services. The hospital and its system, AMITA Health, currently operate numerous outpatient and partial hospitalization programs, and intends to continue to do so.

IMPACT ON ACCESS

The applicants do not anticipate that the proposed discontinuation of inpatient acute mental illness (“AMI”) services at AMITA Health Alexian Brothers Medical Center Elk Grove Village (“ABMC”) will have any substantial impact on area residents’ access to inpatient AMI services. There are four providers of inpatient AMI services located within ten miles of the hospital, two of which are freestanding psychiatric hospitals: AMITA Health Alexian Brothers Behavioral Health Hospital Hoffman Estates, which is owned and operated by applicant Ascension Health and Streamwood Behavioral Health Hospital. In addition, Northwest Community Hospital and Advocate Lutheran General Hospital operate AMI units.

Letters, consistent with the requirements of Section 1110.290.d), have been sent to the four facilities noted above, and responses received following the filing of this Certificate of Need application will be forwarded to the HFSRB Staff.

SAFETY NET STATEMENT

AMITA Health Alexian Brothers Medical Center Elk Grove Village is and will continue to be a safety net provider, serving primarily residents of the western suburbs of Chicago. AMITA Health has a long-standing commitment to the provision of a broad range of psychiatric services, and that commitment will not diminish with the approval of this Certificate of Exemption application. The hospital will continue to accept acute mental illness ("AMI") patients in its Emergency Department, and, as appropriate, will transfer patients in need of inpatient AMI services to other hospitals, including its sister hospital, Alexian Brothers Behavioral Health Hospital Hoffman Estates, approximately 7½ miles to the northwest. As a result, the impact on safety net services will be minimal.
