Springfield, IL 62761

**RE: Certificate of Exemption #E-047-19
Discontinuation of Pediatrics Category of Service
Notice of Project Completion**

Dear Ms. Avery and Ms. Senger:

The above-referenced Certificate of Exemption was approved by the Health Facilities and Services Review Board on October 22, 2019. Please be advised that the category of service was discontinued on October 25, 2019.

Additionally, please be advised that the October 23, 2019 approval letter contains an error. Consistent with the hospital's IDPH 2018 *Annual Hospital Questionnaire* filing, the hospital has ten, rather than twelve ICU beds, and with the approval of this COE, the hospital's total bed count is reduced from 202 to 196 beds.

Sincerely,

Charles Holland
President and CEO
