RE: Change of Ownership- Health Facilities Planning Act  
Exemption # E-048-19 – Southwestern Illinois Health Facilities, Inc. d/b/a Anderson Hospital  
Exemption Holder: Anderson Healthcare, Southwestern Illinois Health Facilities, Inc.

Dear Mr. Page:

On December 10, 2019 the Illinois Health Facilities and Services Review Board (State Board) approved your request for a change of ownership of a health care facility. The approval was based upon the application's compliance with applicable provisions of (77 ILAC 1130.500 & 77 ILAC 1130.520). The change of ownership is considered a change in control of a licensed health care facility. The licensee is Southwestern Illinois Health Facilities, Inc. d/b/a Anderson Hospital. The owner of the site is Southwestern Illinois Health Facilities, Inc. There was no cost to this transaction and the completion date is December 31, 2019.

You are reminded that this exemption requires that for a change of ownership for a health care facility a notice of project completion must be submitted to the State Board no later than 90 days following the project completion date (December 31, 2019). Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to discontinuation.
